I respectfully request information on the total yearly cost for all payments made directly to or to subsidize the Chargers and the Padres.

Please include the total amount of the bond issues for the upgrade to the stadium, including interest. Also the yearly payments and of that how much is principal and how much is interest.

Excluding the rent for the Padres office space, what are the other payments for the Padres and Ballpark Project. Please include the debt payments and the amount of TOT spent.

What was the City's final cost for the Super Bowl broken down by specific categories cost (police, fire, etc)?

Thank you for your immediate attention to this matter and your timely response. If you have any questions or need any clarification please feel free to contact me.
